Dear Friend,

I love...

*Sounding the shofar  
Celebrating the Jewish holidays with  
students, family and friends  
Eating scrumptious Rosh Hashanah, Yom  
Kippur and Sukkot meals  
Building a Sukkah and welcoming guests  
Belonging to the Jewish community,  
especially at this time of year*

As the New Year approaches, we ask for your generous support. With your help, we will be able to offer High Holy Day and Sukkot services and celebrations, holiday meals, and all other programs to students free of charge. With your generous gift of \$1000, \$360, \$180, or any amount, every student will have the opportunity to find their place here at Santa Barbara Hillel.

The High Holy Days are a time to celebrate with family. Very soon, many hundreds of new students will find their way through our doors to their Hillel family. Some will come for the services, and others for the food; some because we empower students to make the world a better place, and others to foster a living connection with Israel. All will come to form meaningful relationships that will last long beyond their college years.

Santa Barbara Hillel enables every student to connect with one another in a Jewish environment at their "Jewish Home Away From Home." We are here for students as a safe, welcoming, and pluralistic presence as we welcome them back to campus.

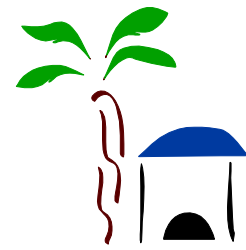

*You make all the difference. Santa Barbara Hillel is funded by direct donations from our supporters. Thank you for investing in our students and enabling us to inspire the Jewish future.*

Shana Tova - A Happy New Year,

**Rabbi Evan Goodman**  
Edgar M. Bronfman Executive Director

P.S. Join us for the High Holy Days. Our schedule is available at [www.santabarbarahillel.org](http://www.santabarbarahillel.org). Your gift enables us to provide our High Holy Day and Sukkot experiences at no charge.
