Hillel Hall of Fame Brunch

Honoring
Rabbi Arthur Gross-Schaeser & Gary Linker

Alumni Achievement Award
Jordan Fruchtman

Sunday, March 6, 2016
As Executive Director and Rabbi of Santa Barbara Hillel, it is a pleasure to welcome you to the thirteenth annual Hillel Hall of Fame. Each year we honor members of our community who have demonstrated an exceptional commitment to the future of the Jewish people through their time, effort and generous support.

This year we celebrate as Rabbi Arthur Gross-Schaefer and Gary Linker enter the Hillel Hall of Fame. We are thrilled to honor Jordan Fruchtman with the Santa Barbara Hillel Alumni Achievement Award. Through their leadership in the Jewish community, dedication to making a difference in the world, and steadfast support of Santa Barbara Hillel, our honorees exemplify the values we aspire to teach our students.

Santa Barbara Hillel has empowered student leaders at U.C. Santa Barbara and at Santa Barbara City College over the past six decades. Santa Barbara Hillel enables students to connect with one another in a Jewish environment at their “Jewish Home Away From Home.” We offer a safe, welcoming, and pluralistic presence as a vibrant center of student life in Isla Vista. Santa Barbara Hillel is proactive in standing up for our students, building bridges, and fostering a positive campus climate. We are uniquely positioned to reach students at this formative time in their lives by providing them the tools they need as they create the Jewish future.

We are a “destination campus” for Jewish students. UCSB now has the highest percentage of Jewish students from among all the University of California campuses. Students actively seek out UCSB for its vibrant Jewish life. Here at Santa Barbara Hillel, students learn important lessons about what it means to be Jewish – to value education, to engage with Israel, to respect all people, to care for those less fortunate, and to work actively toward making this world a better place.

Hillel is the meeting place for our students to find the balance between just “hanging out” and fixing the world. From barbecue study breaks to Shabbat services and dinner, from a free trip to Israel with other Hillel students to fixing the world through “Challah For Hunger”– Santa Barbara Hillel is the place to be.

We thank our sponsors who have been generous in their support of this tribute book and event, and our guests for being here today to show your support for Santa Barbara Hillel and our honorees. Rabbi Arthur, Gary, and Jordan, thank you for your inspirational leadership. On this very special day, I thank you, and I pray that each one of you – and Santa Barbara Hillel – will continue to go M’chayil L’Chayil, from strength to strength.

L’Shalom
